**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose to change to Sonic as much provider from one of the companies that have a near monopoly.

All these changes you've implemented or are trying to implement only serve as a further class divide.

It hurts and puts small business out of business. It definitely hurts children in poor families.

These days not having access to affordable, truly affordable, internet puts a child at a serious disadvantage.

You are part of the problem. Try and not make things worse for everyone but the already rich.

No more price hikes.
